Executive Coach | Strategist | Author

Key Focus: Helping Business Leaders Navigate Career Transitions

As president and CEO of On the Same Page Consulting, Michael Alan Tate works with successful executives, entrepreneurs, and technical professionals who are seeking a simple action-focused plan to effectively manage career transitions, keep teams on the same page, and prepare for positive leadership succession.

With over 20 years' experience as an executive coach, consultant, and strategist, Mike knows that successful people want to navigate the murky waters of career transition as quickly and effectively as possible. Drawing on his own experience, Mike developed a unique consulting strategy, in which he helps each of his clients create a powerful and succinct strategic plan, incorporating prioritized actions and accountabilities set in a whole-life perspective -- all in just 24 hours.

Mike's work goes above and beyond standard executive coaching. He understands the power of a career transition, and he knows its impact reaches beyond the office threshold. In his latest book, *The White Shirt*, Mike speaks not only to those facing career transitions, but also to their loved ones (spouses, partners, parents, children, siblings, friends), who can and should be involved in the process of designing a career plan. Whether graduating from college, struggling to find a job, re-entering the workforce, changing careers, or preparing for retirement, readers will be inspired to successfully navigate their transition while maintaining a healthy, happy balanced life.

Michael Tate has taken his deep knowledge and experience in career development and transferred it to tell a compelling parable. He weaves a valuable message into a brilliant story and leaves the reader with a roadmap to find their own career success. A beautiful and worthy read!
